WORK EXPERIENCES

ODI, Global risks and Resilience *September 2023 - ...*

Research Fellow, Climate and Security Risks

Papua New Guinea, Chad, DRC, etc.

- Lead research on the intersection of climate change and conflict in fragile and conflict-affected regions, focusing on climate adaptation, displacement, and resilience-building.

- Coordination and facilitation of workshops with humanitarian, development, and peacebuilding stakeholders to enhance climate resilience and address climate/security risks.
- Lead multi-disciplinary projects, providing technical leadership and strategic guidance to integrate climate action into humanitarian responses and conflict resolution efforts.
- Contributed to the development of policy briefs and research proposals on community-led adaptation, gender-sensitive approaches, and governance in non-state armed group-controlled areas.

[Center for Studies and Research on International Development](#)

June 2022 - ...

Associate Researcher

[Chair of Defense Economics, IHEDN \(Paris, France\)](#)

March 2022 – September 2023

Researcher

In charge of International Security topics.

[Foundation for studies and Research on International Development](#) (Clermont-Ferrand, France)

December 2015 - October 2017

Research Assistant, Peace, Security and Development

- Coordination of a project team composed of seven high-level advisors, academics, and executives from NGOs or development agencies.
- Coordination of interviews with seventeen senior officials, servicemen, sociologists, economists, business leaders, and executives from NGOs or development agencies.
- Data collection and analysis of the cost of military interventions (incl. MINUSMA and Barkhane) and the amount of official development assistance (ODA) allocated to G5-Sahel countries.

[French Development Agency](#) (Paris, France)

June 2017 - July 2017

Consultant, Macroeconomic Analysis and Country Risk Division

Report : "Comment analyser le risque sociopolitique? Une composante clé du risque-pays" (in English "How to analyze the socio-political risk? A key component of country risk"), joint with Dr. Clémence Vergne.

[Secours Catholique Caritas France](#) (Paris, France)

June 2015 - September 2015

Intern, Sub-Saharan Africa and Indian Ocean Unit

- Programs support and monitoring, and management of partnerships (Chad, Niger, Central African Republic).
- Advocacy: drafting and coordination of NGO representatives for the op-ed article “OPINION d’associations qui s’engagent pour la Centrafrique « Nous devons rester mobilisés ! » ” (in English “OPINION of associations that commit to the Central African Republic “We must remain mobilized.”), [La Croix](#), October 2015.
- Study of inter-religious social cohesion in the Central African Republic during and after the civil war.

[Center for Poverty and Development Studies](#) (Kuala-Lumpur, Malaysia)

May 2014 – August 2014

Intern

- Design and implementation of a survey on a panel of single mothers in Tioman Island.

- Analysis of the socio-economic effects (poverty, socio-professional insertion etc.) associated with the establishment of a marine protection policy.
